Attention Business Editors:
ZCL Composites Inc. Signs Major Contract

EDMONTON, May 17 /CNW/ - ZCL Composites Inc. is pleased to announce that it has been awarded a four year contract by Wilson Fuels, one of Canada's 50 Best Managed Companies, for the supply of fiberglass tanks and related products for use in its operations across Canada. This contract is in effect through March 31, 2009.

Wilson Fuels is an important customer of ZCL's. Long term relationships with most of the major and independent oil companies in Canada have benefited ZCL and its customers alike. Through supply agreements such as this, ZCL has remained the industry leader in underground fuel storage.

"Contracts such as these are an expression of confidence in ZCL and our ability to consistently supply the high quality products and services that our customers value," says Ven Côté, President & CEO. "We are committed to delivering the highest levels of service and value to our customers and this contract is evidence of the long term benefits of successfully meeting that commitment."

ZCL Composites Inc. trades on the Toronto Stock Exchange under the symbol "ZCL" and is Canada's largest manufacturer of fiberglass underground storage tanks. ZCL's complete fuel storage systems marketed under the "Prezerver" trademark carry a \$2 million warranty against pollution.
