ZCL Composites Inc. Receives Vendor Excellence Award From Shell

EDMONTON, June 22 /CNW/ - ZCL Composites Inc. (TSX:ZCL) is proud to receive the prestigious "Vendor Excellence Award" from Shell Canada.

The Vendor Excellence Award Program was created by Shell Canada to recognize their very best vendors, using established and consistent guidelines. The qualities measured included, but were not limited to, adherence to high standards of safety, continuous commitment to quality, competitive pricing, on-time deliveries and high-level product technical support.

The award was presented to the Company by Mr. Lou Giancarlo, Shell Canada Supply Chain Management, and Mr. Bill Trussler, Shell Canada Engineering Standards. "All of the guidelines have been consistently demonstrated over an extended period of time and with the highest ethical standards. This is a very special award that is only awarded to a very select few of Shell's suppliers of goods and services," said Mr. Trussler. Ven Côté, President and Chief Executive Officer, accepted the award on behalf of ZCL. "We thank Shell for giving us the opportunity to serve them, and to prove ourselves over this long period," said Mr. Côté.

"This will serve as a reminder to our entire team that a customer-focused commitment to quality and service at competitive prices is the foundation of our long-standing alliance relationships with valued partners like Shell. And our commitment does not go unnoticed," added Mr. Côté.

ZCL Composites Inc. trades on the Toronto Stock Exchange under the symbol "ZCL" and is Canada's largest manufacturer of fiberglass underground storage tanks. ZCL's complete fuel storage systems marketed under the "Prezerver" trademark carry a \$2 million warranty against pollution.
