

ZCL appoints COO (Chief Operating Officer) and Executive Vice President

For Immediate Release

Edmonton, Alberta, February 6th, 2008... ZCL Composites Inc (TSX:ZCL) announced today that it has made two new executive appointments to better take advantage of the many opportunities facing the Company. To the position of Chief Operating Officer, ZCL has appointed Mr. Ron Bachmeier, and Mr. Ron Fink as Executive Vice President.

“The decision to create these new roles results from our growth, including our doubling in size following the acquisition of Xerxes Corporation this past year,” said Ven Côté, ZCL’s President and Chief Executive Officer. “By strengthening our executive infrastructure, we will be better able to capitalize on both current and new business opportunities.”

As COO, Mr. Bachmeier will report directly to the CEO and will oversee ZCL’s operations and those of its subsidiaries from its head office located in Edmonton, Alberta. Mr. Bachmeier’s professional background included being a Certified Public Accountant, and prior to this appointment he was Xerxes’ COO and previously its CFO. Mr. Bachmeier has been with Xerxes since 1986.

As Executive Vice President, Mr. Fink will be specifically focused on the integration of ZCL’s marketing strategy through its recent acquisitions, working closely with the Executive team and in particular the newly appointed COO. Mr. Fink has been with ZCL since 1990, most recently as its Vice President Operations & Marketing and will continue to report directly to the CEO.

About ZCL

ZCL Composites Inc. is North America’s largest underground fibreglass tank manufacturer. ZCL’s complete fuel storage systems, marketed under the “Prezerver” trademark, carry a \$2 million warranty against pollution. More information about ZCL is available on its website at www.zcl.com
