

## **ZCL Composites Inc. Announces Appointment of new USA Sales Manager**

### **For Immediate Release**

**Edmonton, Alberta** July 18, 2006.... ZCL Composites Inc. is pleased to announce the appointment of Mr. Richard Whately to the position of Manager Sales & Marketing – USA Region. Mr. Whately has over 30 years experience in the construction industry, including over 20 years in the petroleum equipment industry in the United States and Internationally.

Mr. Whately is the former President of Environ Products, an international leader in secondary containment systems. In addition, Rick was also Vice President of Sales and Marketing for Owens Corning Fiberglass and Fluid Containment Inc., a major US tank manufacturer.

“Mr. Whately’s commitment to and confidence in ZCL’s future success is matched only by his own drive for personal achievement. Mr. Whately will focus his energy on sales and marketing of the “The Phoenix System®” in the United States. He has demonstrated his enthusiasm for our vision, and confidence in our future, by accepting the responsibilities of this important role,” says Mr. Ven Côté, President & CEO of ZCL.

ZCL Composites Inc. trades on the Toronto Stock Exchange under the symbol “ZCL” and is Canada’s largest manufacturer of fibreglass underground storage tanks. ZCL’s complete fuel storage systems marketed under the “Prezerver” trademark carry a \$2 million warranty against pollution.
