

ZCL welcomes Tony Franceschini to its Board

For Immediate Release

Edmonton, Alberta February 5, 2009... ZCL Composites Inc. ("ZCL") is pleased to announce the appointment of Mr. Anthony (Tony) Franceschini to the Board of Directors effective February 3rd, 2009.

Mr. Franceschini is the President and CEO of Stantec Inc. which trades on both the TSX and NYSE under the symbol STN. He also sits on the Board of Directors of Stantec, as well as the board of Esterline Tehcnologies Corporation (NYSE: ESL) and privately held CCI Thermal Technologies Inc.

"Tony's experience in building Stantec into a prominent North American design firm will be a great asset to ZCL", commented Mr. Ven Côté, President & CEO of ZCL. "We are pleased that he has accepted this important leadership role in support of our vision to become the leading global supplier of environmentally friendly liquid handling solutions."

About ZCL

ZCL Composites Inc. is North America's largest underground fibreglass tank manufacturer. ZCL's complete fuel storage systems, marketed under the "Prezerver" trademark, carry a \$2 million warranty against pollution. More information about ZCL is available on its website at www.zcl.com
